TEAM HKCBA DELEGATION TO
THE 9TH HONG KONG FORUM (OCTOBER 30-31ST)

“Connecting China and the World through Hong Kong”

Come find out how the HKCBA Delegation to the 9th Hong Kong Forum will expand your network, and add value to your company! Space is limited, RSVP now!

The Hong Kong Forum is an annual flagship event of the Federation of Hong Kong Business Associations Worldwide, which has evolved and expanded to include 31 Hong Kong business associations in 23 countries. The Federation enjoys a worldwide membership of more than 11,000 individual associates to promote trade and business links with Hong Kong. Once a year, delegates from around the world gather in Hong Kong for a week-long banquet of business meetings, authoritative briefings from government officials, case histories and how-to sessions from successful business people. In addition, there will be many networking opportunities - both formal and informal - with fellow members, other delegates and with Chinese entrepreneurs eager to do business with Canada.

Two prominent speakers, Mr. Barry Macdonald, Chairman of the Federation of Business Associations Worldwide and Partner (Incorporated) of PricewaterhouseCoopers LLP, and Mr. Andrew Yui, Director (Canada) of the Hong Kong Trade Development Council, will share their extensive experience and insights and explain how you can benefit from meeting like-minded business people this October in Hong Kong.
